

Dear Parents,

Welcome to you all to the cyber world of Digital fruit where I would like to share my thoughts with all the parents, fraternity. These days we all are facing a tough situation and fighting a major pandemic which has forced us to be locked at home. This situation was unprecedented which we never imagined. But it is always said 'Tough times don't last, tough people do'. So, we are in a way to rejuvenate our depression and work collaborately to overcome the crisis. Our Children are with us at home and being debarred from going to school. But there is some hopes glimmering in the horizon which is nothing but online classes at the global level where children can keep themselves busy in their academics. We are also very much tempted to create a time table for our children to ensure them their learning perfectly even sitting at home. As we know 'necessity is the mother of invention'. So, in some ways or other this situation has helped us to device a system which could be the best fruitful in this hour. Our little children are in the state of fear and panic lest this situation hampers their study. Such a prolong break during their academic session has made them greatly upset. Next few days are going to be challenging as we shall witness deterioration in their behavior issue. But we must not misunderstand them but handle them tenderly. In this regard I would like quote after famous educationist John Dewey 'Education is not preparation for life, education is life itself'.

So to overcome this crisis I Mrs. Gopa Mukherjee on behalf of Heritage Public School would like to introduce this special application of **digitalfruit** where students shall have all their resource materials, worksheets, notes etc. through the app. Now I would like to give you a brief description about this app. After opening the app in your mobile different options will come on the screen through different click buttons like subjects, chapter, summary, notes, H/W etc. where all kinds of resource materials will be input by our subject teachers. Hope this will facilitate your need the utmost.

Gopa Mukherjee
Principal
